A Tragedy in Five Acts Player Sheet

Narrative Auctions

1. Idea Round

- Think of an idea for the next Scene
- Bid that idea, minimum ante one token
- New ideas much feature a substantive change from an already offered idea.

2. Support

- Bid tokens in support of your favorite ideas.
- Players can support multiple ideas
- When no more tokens are spent, the idea with the most tokens wins

3. Scoring

- Winner gets 1 Tragedy Point per token bid in the entire auction
- Winning player rolls 1 die / token spent on losing bids; odds get 1 Tragedy Point per result
- Supporting players of the winning idea roll 1 die per token spent in support of that idea. Odds earn 1 Tragedy Point per result.
